Chocomize at the World Championships

If you've been following our blog, you will know by now that many of the people involved in Chocomize are rowers. We last wrote about rowing in a post about the National Selection Regatta (NSR) where rowers tried out for the national team. Many of the rowers at the event were sporting Chocomize uniforms (check out the post about the event here) and a couple of those same rowers went on to row for the United States at the World Championships that took place in New Zealand. Chocomize uniforms were seen all around the racecourse, and some of the rowers were even spotted with some chocolate bars.
