Chocomize on 6ABC Morning Show Philadelphia

If you've been checking out our press page, you'll have noticed all the fantastic reviews we've been getting. *We* think our chocolate is the best out there, but we understand if you don't want to take our word for it. We recommend you read some of the reviews we've gotten (we think they'll do a good job convincing you that our chocolate is awesome.)

In addition to the great reviews we've been getting lately, we are excited to announce that **we will be appearing on a TV show right before Valentine's Day!**
6ABC action news heard about our company and thought that it would be a perfect story for Valentine's Day (we totally agree) and they dropped by our facility to film us making chocolate. We made some pretty great bars for them, some with edible images of the 6ABC logo, others with some of our special Valentine's Day ingredients. Speaking of Valentine's Day ingredients, **we have a special shipment coming from Europe which we are going to post soon, and we also just added the always favorite message hearts!**
The picture to the left is a show of the 6ABC Action News van.

So for everyone in the Philadelphia area, we will be on the 6ABC morning show around 6a.m. on the 9th of February. For all those Chocomize fans who are not in the Philadelphia area, we will post the video as soon as possible. Get excited to get a ‘behind the scenes’ look at Chocomize!
