Posted On Jun 21, Posted by Hirerussians Category The View From Candyland

It's Monday so let's get right to business - I have some delicious news for you today. Father's Day has come and gone and I hope it was a grand holiday for the whole family; I personally had a great weekend playing golf with Dad and he loved the chocolate bar I made for him, but its time to get ready for the 4th of July and National Chocolate Day.

National Chocolate Day?
Yes, it is a real holiday on the 7th of July and we are very excited here at Chocomize to bring you the special Chocolate on Chocolate Bar, which will be on sale through the holiday. It's National Chocolate Day – give your sweet tooth exactly what it wants.

What are your plans for the 4th?
Here it is - the Independence Bar with Star-Spangled Sprinkles, also on sale through the holiday. It tastes as good as it looks and we hope you enjoy eating it as much as we enjoyed naming it.

(Go to the Favorites section to see the bars)

Check back on the site soon for some updates that we are pretty excited about. Shipping to Canada will be running shortly and later this week we'll be unveiling yet another addition to the list of ingredients that is sure to surprise you.

Back in a week,

Jim
