# Choconize

ARTWORK REQUIREMENTS

You can use vector artwork or high resolution pixel-based artwork for your chocolate bar wrappers. Important text and logos should be positioned within the safe "Imprint Area". Background designs and patters can extend past this area. We recommend not to print any text on the sides of the wrappers.

KEY

- ☐ Trim Line
- ☐ Imprint Area
- ☐ Bleed Line
- ☐ Fold Line
- ☐ Glue Area no print/no varnish
- ▢ Overlap Area
