TEMPLATES GUIDELINES

- Outline all fonts & artwork
- Place all important copy or art within "live print area"

  Copy or design elements outside the green area will print, but will not be centered and may be distorted upon sealing
- We recommend window to be positioned at bottom of green area.
- Minimum type 6 pt.
- Specify all spot colors on area provided
- Gradients or half tones not allowed
- Do not embed artwork or fonts (Please zip and send with artwork)
- Black type must be 100% K
- Eye spot should be 100% K
