

Hang Tag Artwork Specs.

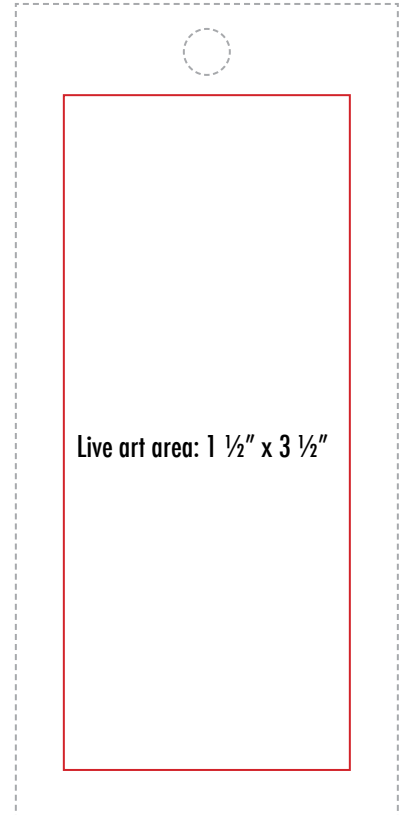

Typically hang tags are one-sided and appear horizontally or vertically at 2" x 4¼" with a ¼" gutter around the edge of the card and a ½" gutter on the hole punch side. If your message/ logo needs more room, you may format your card to appear with a finished size of 2¼" x 4¼" or 2½" x 4¼". No artwork with bleeds, please. There is a ¼" hole punch added at the middle on the far left side of the card. Because of the layout of the message/ graphic, this hole will sometimes appear in the upper left hand corner of the card...If you have a unique design/ layout/ card size you'd like to use, please email us to discuss your graphic needs further.
